Any information provided by WisdomTree should not be considered either a recommendation by Schwab or a solicitation of any offer to purchase or sell any securities, and Schwab makes no representations regarding WisdomTree's content. Unlike mutual funds, shares of ETFs are not individually redeemable directly with the ETF. Shares are bought and sold at market price, which may be higher or lower than the net asset value (NAV).

Investors should carefully consider the investment objectives, risks, charges, and expenses of the Funds before investing. To obtain a prospectus containing this and other important information, please call 866.909.9473, or visit WisdomTree.com to view or download a prospectus. Read the prospectus carefully before you invest. Past performance does not guarantee future results.

There are risks involved with investing, including possible loss of principal. Foreign investing involves currency, political and economic risk. Funds focusing on a single country, sector, and/or funds that emphasize investments in smaller companies may experience greater price volatility. Investments in emerging markets, currency, fixed income and alternative investments include additional risks. Due to the investment strategy of certain Funds they may make higher capital gain distributions than other ETFs. Please see prospectus for discussion of risks.

WisdomTree Funds are distributed by Foreside Fund Services, LLC. in the U.S. only.
