Investors should carefully consider the investment objectives, risks, charges, and expenses of the Funds before investing. To obtain a prospectus containing this and other important information, please call 866.909.9473, or visit WisdomTree.com to view or download a prospectus. Investors should read the prospectus carefully before investing.

There are risks involved with investing, including possible loss of principal. Foreign investing involves currency, political and economic risk. Funds focusing on a single country, sector, and/or funds that emphasize investments in smaller companies may experience greater price volatility.

Investments in emerging markets, currency, fixed income and alternative investments include additional risks. Due to the investment strategy of certain Funds they may make higher capital gain distributions than other ETFs. Please see prospectus for discussion of risks.
