Part II Organizational Action Attach additional statements if needed. See back of form for additional questions.

14 Describe the organizational action and, if applicable, the date of the action or the date against which shareholders' ownership is measured for the action ► A 2-for-1 share split of the WisdomTree Europe Hedged Equity Fund (the "Fund") occurred after the close of trading on August 9, 2023 for shareholders of record as of the close of markets on August 7, 2023. The Fund's shares began trading at their post-split price on August 10, 2023. See share split announcement attached.

15 Describe the quantitative effect of the organizational action on the basis of the security in the hands of a U.S. taxpayer as an adjustment per share or as a percentage of old basis ► The 2-for-1 share split was a non-taxable transaction. After the close of trading August 9, 2023, the Fund shareholders of record received 2 shares of the Fund for every 1 share owned before the share split. The shareholder's aggregate basis in the Fund will be the same immediately after the share split as it was before the split, but the shareholder's basis per share will be 1/2 (i.e., one half) of the basis per share immediately prior to the share split.

16 Describe the calculation of the change in basis and the data that supports the calculation, such as the market values of securities and the valuation dates ► The pre-split basis per share should be multiplied by 1/2 (i.e., one half) to determine the post-split basis per share.
