The following tables provide estimates of the sources of the Fund's distributions. Table I provides an estimate of the source of the Fund's current distribution payable November 26, 2025 to shareholders of record on November 24, 2025. Table II provides an estimate of the source of the Fund's cumulative distributions for the Fund's current fiscal year. These are only estimates and are subject to change. These estimates are based on the Fund's fiscal year-to-date activity according to U.S. generally accepted accounting principles. These accounting principles may vary from those under federal tax law and, accordingly, may change the estimated characterization in the table below. The amount and source of future distributions, if any, may vary.

**THIS NOTICE IS FOR INFORMATIONAL PURPOSES ONLY. NO ACTION IS REQUIRED ON YOUR PART.** This information is being provided pursuant to Section 19(a) of the Investment Company Act of 1940, as amended, and should not be used for tax reporting purposes. In early 2026, after definitive information is available, the shareholders of the Fund will receive a Form 1099-DIV specifying how the distributions paid by the Fund during calendar year 2025 have been characterized for purposes of reporting the distributions on shareholders' tax returns.
